

August 2021

Dear Potential Sponsor:

The Corvallis Clinic Foundation, in collaboration with The Corvallis Clinic Orthopedic Surgery & Sports Medicine Department, is excited to present the third annual ***“Run for the Health of It”*** 5K Run/Walk on Saturday, October 2, 2021.

Proceeds from the event will benefit local high school athletic programs. In 2019, we were able to donate funds to the Philomath High School Athletic Department, the South Albany High School Athletic Department, the Santiam Christian High School Athletic Department, and the Corvallis High School Athletic Department.

We would like for you to be a sponsor for this event in the form of a tax-deductible monetary donation.

This is a great way to promote your company in the community while supporting the health and leadership development of our area’s youth. We are expecting over 300 racers and approximately 40 volunteers.

Please visit our website at <https://www.corvallisclinic.com/race> or refer to the attached flyer for race details.

Please let us know if you would like to be a sponsor and please feel free to call our team with any questions.

Thank you!

Sincerely,
