

## Are you suffering with Allergic Rhinitis?

We are currently conducting a research study for participants 12 – 65 years old who have a house dust mite-associated allergic rhinitis to participate in a clinical study.

To see if you qualify, please contact:

Name: Rita Staples

Phone: 541-766-2163

Email/ Website:

<https://www.corvallisclinic.com/clinical-research-center/>

Successfully enrolled participants may receive study medication. Study related physical exams, allergy testing & lab work will be provided at no charge. Time and travel will be reimbursed.
